RoHS Directive 2011/65/EC, Directive 2002/95/EC, Directive 2003/11/EC, ELV Directive 2000/53/EC, WEEE Directive 2002/96/EC

Product Lines:

PM2000 MM3000 MO2000 XF5000 PT2000

Dear Valued Customer:

Please be advised that based on the information available to us from our raw material suppliers, the product lines listed above do not contain as intentional additives, any of the below referenced materials at the levels indicated, as referenced in the subject EU directives. To the best of our knowledge, none of these materials are generated during production. Since we do not expect these materials to be present, we do not specifically run any analysis on our raw materials or end product to measure for these materials.

Hexavalent chromium compounds < 0.1%	Cadmium and its compounds < 0.01%
Mercury and its compounds < 0.1%	Lead and its compounds < 0.1%
Polybrominated diphenyl ethers (PBDEs) < 0.1%	Polybrominated biphenyls (PBBs) < 0.1%
Pentabromodiphenyl ether < 0.1%	Octabromodiphenyl ether < 0.1%
Decabromodiphenyl ether < 0.1%	Bis(2-Ethylhexyl) phthalate (DEHP): < 0.1%
Benzyl butyl phthalate (BBP): < 0.1%	Dibutyl phthalate (DBP): < 0.1%
Diisobutyl phthalate (DIBP): < 0.1%	

This information is believed to be accurate and refers to the laws, regulations and products at the date of issue. However, NuMark Marker Co., LLC makes no express or implied representations or warranties with respect to the information contained herein. It is the responsibility of our customers to determine that their use of NuMark Marker products is safe, lawful, and technically suitable for their applications. Because of possible changes in the laws and regulations, we cannot guarantee that the status of this product will remain unchanged.

Regards,

A handwritten signature in black ink, appearing to read 'MJ', written over a horizontal line.
